CIRCULAR.

OFFICE OF AUDITOR OF SOUTH CAROLINA,
Columbia, December 23, 1864.

The following appointments of the "Soldiers' Boards of Relief" for 1865, made by the Legislature, at its present session, in conformity with an Act passed December 23, 1864, "to provide for the relief of the families of the soldiers, sailors, and marines in the service of this State or the Confederate States," are published for the information of all concerned.

The Legislature, in making these appointments, has "not indicated any person to act as Chairman of the several Boards." "In all cases, the appointment of a Chairman and of other officers, shall be made by the respective Boards, to whom the right properly belongs."

It is important that the several boards be organized *at once*, by the appointment of a Chairman and a Secretary and Treasurer; and that immediate notice of these appointments, with the post-office address of the Chairman and the Secretary and Treasurer, be given to the State Auditor to enable him to communicate with each Board in respect to matters of pressing consequence.
